SUBJECT

This is a joint recommendation with the Probation Officer to adopt the Mitigated Negative Declaration; approve the revised Camp Vernon Kilpatrick Replacement Project scope and revised total Project budget; approve a supplemental agreement for as-needed design services; approve a consultant services agreement for construction management services; and authorize the Chief Executive Officer, the Chief Probation Officer, and the Director of Public Works, or her designee, to execute agreements related to the State grant for the Project.

IT IS RECOMMENDED THAT THE BOARD:

1. Consider the Mitigated Negative Declaration for the Camp Vernon Kilpatrick Replacement Project together with any comments received during the public review process; find that the Mitigated Negative Declaration reflects the independent judgment and analysis of the Board; adopt the Mitigation Monitoring and Reporting Program, finding that it is adequately designed to ensure compliance with the mitigation measures during Project implementation; find on the basis of the

whole record before the Board that there is no substantial evidence the Project will have a significant effect on the environment; and adopt the Mitigated Negative Declaration.

2. Approve the revised Project scope and revised total Project budget of \$48,223,000 for the Camp Vernon Kilpatrick Replacement Project, and authorize the Director of Public Works, or her designee, to carry out the Project.
3. Approve a Supplemental Agreement to Agreement PW 13403, with STV Incorporated, for a \$53,866 not-to-exceed amount, and authorize the Director of Public Works, or her designee, to execute the agreement to include design options to the scoping documents.
4. Approve a consultant services agreement with Kitchell CEM, Inc., for a \$2,800,000 not to exceed amount, to provide project management/construction management and project controls support services for Camp Vernon Kilpatrick Replacement Project, and authorize the Director of Public Works, or her designee, to execute the agreement. The term of this agreement will commence upon the date of the first notice to proceed and shall terminate on the date work is accepted by the County.
5. Approve the Camp Vernon Kilpatrick Replacement Project and authorize the Chief Executive Officer, the Chief Probation Officer, and the Director of Public Works, or her designee, to execute the agreements required to obtain the grant funds from the Correction Standards Authority's Construction, Expansion, or Renovation of Local Youthful Offender Rehabilitative Facilities Construction Funding Program.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will adopt the Mitigated Negative Declaration (MND) and Mitigation Monitoring and Reporting Program (MMRP); approve the Camp Vernon Kilpatrick Replacement Project (Project); enable the Chief Executive Officer (CEO), the Chief Probation Officer, and the Director of Public Works, or her designee, to execute the agreements required to obtain the State grant for the Project; approve the revised Project budget to include the additional scope of work; approve a supplemental agreement for as-needed design services; and award a consultant services agreement for construction management services for the Project.

Background

Camp Kilpatrick was established in 1962. The property is County-owned and located at 427 South Encinal Canyon Road in Malibu. The existing camp consists of 14 structures, totaling 48,682 square feet and has a rated bed capacity of 125 minors.

In February 2012, the Board established the Project and authorized the CEO, the Chief Probation Officer, and the Director of Public Works, or her designee, to execute any agreement and/or documentation to formally accept a \$28,728,000 grant from the Correction Standards Authority Program.

The Project scope consisted of demolition of most of the existing structures and the construction of a new replacement camp of approximately 42,000 square feet to accommodate 120 minors. The new camp would have a 6,900 square-foot administrative building, a 3,400 square-foot support center, four individual cottages with 26,700 square-foot open dormitory style housing for the minors, a 5,000 square-foot ancillary building, and various site improvements, such as a recreational multipurpose

field, surface parking, on-site utilities, and security fencing.

Proposed Project Scope Changes

During Project scoping, following public circulation of the MND prepared under the California Environmental Quality Act (CEQA), additional Project components were identified to help facilitate and enhance the Probation Department's delivery of programmatic services.

These Project components include:

- Increase facility size from approximately 42,000 square feet to approximately 54,000 square feet;
- Provide a new kitchen to serve Camp Kilpatrick only and for food to be served in the multipurpose room;
- Change from a half court gymnasium to a full court gymnasium/multipurpose room to function as a dining area, gymnasium, visiting, chapel, and special assembly; and
- Change from 15 to 12 youth per residential pod.

These proposed Project scope changes were further described, including programmatic benefits, in the May 2, 2013, Chief Probation Officer's report on the rationale for newly identified Project changes for Camp Kilpatrick.

Agreements with the State

In order to proceed through the latest State Capital Outlay/State Public Works Board latest financing approval process, the County has to complete several State required tasks. As part of these tasks, Senate Bill 81 Capital Outlay and State Public Works Board Guidelines (Attachment B) stipulate five agreements (Attachments B through F) to be executed between the State and the County:

- Corrections Standards Authority Local Youthful Offender Rehabilitative Facilities Construction Agreement - To establish the project and obtain the resolution authorizing interim financing of the project from the State Public Works Board.
- Project Delivery and Construction Agreement Senate Bill 81 Local Youthful Offender Rehabilitative Facilities Financing Program - To establish the project and obtain the resolution authorizing interim financing of the project from the State Public Works Board.
- Ground Lease Agreement - To establish the legal metes and bounds of the project lease the site to the State.
- Right of Entry for Construction Agreement - To allow the State to give the County the right to enter the site to construct the facility.
- Facility Sublease Agreement - To establish the conditions of the lease to the County.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs that we provide Operational Effectiveness (Goal 1), by maximizing the effectiveness of process, structure, and operations to support timely delivery of

customer-oriented and efficient public services. It also directs us to provide Integrated Services Delivery (Goal 3), by maximizing opportunities to measurably improve client and community outcomes and leverage resources through the continuous integration of health, community, and public safety services to provide a facility that enhances operations and the delivery of Probation youth rehabilitative services.

FISCAL IMPACT/FINANCING

Funding Impacts

The revised total Project budget, including the addition of \$7,073,000 for the additional project elements is \$48,223,000.

The revised Project is funded with \$28,728,000 of State revenue from the Construction, Expansion, or Renovation of Local Youth Offender Rehabilitative Facilities Construction Program, \$12,422,000 prior year net County cost, and \$7,073,000 of net County cost appropriated in Fiscal Year 2013-14 Supplemental Budget. The Project Schedule and Budget Summary are included in Attachment A.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The consultant services agreements have been reviewed and approved as to form by County Counsel. The recommended contracts were solicited on an open-competitive basis and are in accordance with applicable federal, State, and County requirements. The consultants are in compliance with the requirements of the CEO and the Board.

The consultant services agreements contain terms and conditions supporting the Board's ordinances, policies, and programs including, but not limited to: The County's Greater Avenues for Independence (GAIN) and General Relief Opportunities for Work (GROW) Programs); Board Policy No. 5.050, Contract Language to Assist in Placement of Displaced County Workers; Board Policy No. 5.110, Reporting of Improper Solicitations; Board Policy No. 5.060, Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law); Board Policy No. 5.135, Contractor Employee Jury Service Program; Los Angeles County Code, Chapter 2.203, Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment; Los Angeles County Code, Chapter 2.202, the Los Angeles County's Child Support Compliance Program; Los Angeles County Code, Chapter 2.200, Defaulted Property Tax Reduction Program; Los Angeles County Code, Chapter 2.206; and the standard Board-directed clauses that provide for contract termination or renegotiation.

ENVIRONMENTAL DOCUMENTATION

An Initial Study (IS) was prepared in accordance with CEQA. The IS identified potentially significant effects from the Project on the environment in the areas of air quality, biological resources, cultural resources, and noise. However, prior to the release of the proposed IS/MND for public review, revisions to the Project were made or agreed to which would avoid the effects or mitigate the effects to a point where clearly no significant effects would occur as follows:

- Air quality: require that site preparation (clearing and grubbing) activities and site grading activities do not occur concurrently.

- Biological resources: implement corresponding mitigation measures, and obtain required jurisdictional delineation related approvals to avoid or minimize impact on grassland habitat, oak trees, special status plant species, potential nesting areas of migratory raptors, birds and roosting bats.
- Cultural resources: implement established protocols to be used in the event that archeological, paleontological and Native American artifacts are encountered.
- Noise: minimize construction-related noise through implementation of noise-abatement measures such as temporary noise barriers to reduce the noise level to acceptable levels.

The IS and Project revisions showed that there is no substantial evidence, in light of the whole record before the County, that the Project as revised may have a significant effect on the environment. Based on the IS and Project revisions, an MND was prepared for the Project.

A MMRP has been prepared in conjunction with the MND. The MMRP identifies measures that will reduce the environmental impacts identified as "potentially significant" to a "less than significant" level. The MMRP will be incorporated into the construction documents to ensure compliance with mitigation measures that have been developed to address issues concerning biological resources, cultural resources, geology, and noise.

Public notice was provided pursuant to Section 15073 of the CEQA Guidelines. The Draft IS/MND was made available for a 30-day public review period from September 28 through October 30, 2012. The Notice of Intent to adopt an MND was mailed directly to the owners and occupants of contiguous property as shown on the last assessor rolls, was posted both on the project site and off-site at the project entrance on Encinal Canyon Road, and was filed with the Los Angeles County Registrar Recorder/County Clerk on September 28, 2012. The IS/MND was also made available for review at the County of Los Angeles Department of Public Works offices in the City of Alhambra, and the Malibu Library at 23519 West Civic Center Way, Malibu, California 90265 during normal business hours and was made available online at <ftp://dpwftp.co.la.ca.us/pub/PMD/CampKilpatrick/>. A total of five letters, four comment letters from public agencies, and one standard receipt letter from the Governor's Office of Planning and Research, were received in response to the MND. Responses to the comment letters were sent to the public agencies pursuant to Section 21092.5 of the CEQA Guidelines.

Subsequent to the public review process, the additional scope of work was identified and was included in the IS/MND. The environmental consultant concluded that recirculation of the MND due to the inclusion of the additional Project scope is not required under Section 15073.5(b) of the CEQA Guidelines because the construction and operation of the revised facility would not result in any new, avoidable significant impacts not disclosed in the Draft IS/MND, and the revised Project would not represent a substantial revision.

The location of the documents and other materials constituting the record upon, which the Board's decision is based in this matter is the County of Los Angeles Department of Public Works, Project Management Division II, 900 South Fremont Avenue, 5th Floor Alhambra, California 91803. The custodian of such documents and materials is Mr. James F. Kearns, Los Angeles County Department of Public Works.

The Project is not exempt from the payment of a fee to the California Department of Fish and Wildlife pursuant to Section 711.4 of the Fish and Game Code to defray the costs of fish and wildlife

protection and management incurred by the Department of Fish and Wildlife. Upon the Board's approval of the Project, Public Works will file a Notice of Determination with the Registrar-Recorder/County Clerk in accordance with Section 21152(a) of the California Public Resources Code and pay the required filing and processing fees in the amount of \$2,321.25.

CONTRACTING PROCESS

Scoping Documents - As Needed Design Services

An as-needed consultant services agreement with STV Incorporated, Agreement PW 13403, was approved by the Board on August 17, 2010, and used for the preparation of the design/build scoping documents for this Project.

The recommended Supplemental Agreement to STV Incorporated will incorporate the new design options into the design-build scoping documents and will increase the contract by a \$53,866 not-to-exceed amount. This supplemental agreement will increase the total contract amount with STV Incorporated, to a \$725,865 not-to-exceed fee.

Consultant Services Agreement – Project/Construction Management and Project Controls Services

On April 1, 2013, Public Works issued a Request for Proposals (RFP) to 36 firms, and advertised this contracting opportunity on the County's "Doing Business with Us" website for project management/construction management and project controls support services.

On April 30, 2013, four firms submitted proposals. An evaluation committee composed of staff from Public Works evaluated each proposal on the proposed staff qualification and experience, the firm's qualifications and experience, expertise in providing specific services, work plan, and understanding of the work requirements in the RFP. These evaluations were completed without regard to race, creed, color, or gender. Based on the review and evaluation of these proposals, Public Works selected Kitchell CEM, Inc., as the most-qualified firm to provide the project management/construction management and project controls support services.

It is recommended that a consultant services agreement for a \$2,800,000 not-to-exceed amount be executed with Kitchell CEM, Inc.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no impact on current County projects during the performance of the recommended actions. However, there will be impacts on current County services related to Probation Department's operations during the course of construction when Camp Kilpatrick is temporarily vacated.

CONCLUSION

Please return one adopted copy of this Board letter to the Chief Executive Office, Facilities and Asset Management Division; the Probation Department; and Public Works, Project Management Division II.

STATE OF CALIFORNIA
**CORRECTIONS STANDARDS AUTHORITY LOCAL YOUTHFUL OFFENDER
REHABILITATIVE FACILITY CONSTRUCTION AGREEMENT
FOR _____**

This Corrections Standards Authority Local Youthful Offender Rehabilitative Facility Construction Agreement ("**Agreement**") is entered into as of _____, 20____ ("**Effective Date**"), by and between the Corrections Standards Authority ("**CSA**"), an entity of the state government of the State of California ("**State**"), and _____, a Political Subdivision of the State of California ("**Participating County**"). CSA and Participating County shall be referred to collectively herein as "**Parties**," and individually as a "**Party**."

RECITALS

WHEREAS, Participating County has proposed to build a local youthful offender rehabilitative facility as more particularly described in Exhibit B attached hereto ("**Project**") located at _____ ("**Site**") under Article 3 of Chapter 1.5 of Division 2.5 of the Welfare and Institutions Code and the corresponding regulations set forth in Title 15, Division 1, Chapter 1, Subchapter 7 of the California Code of Regulations (collectively, the "**SB 81 Local Youthful Offender Rehabilitative Facility Financing Program**").

WHEREAS, this Agreement is being executed concurrently with the execution of the Project Delivery and Construction Agreement ("**PDCA**") entered into between the Participating County, CSA, the State Public Works Board of the State of California ("**Board**") and the Department of Corrections and Rehabilitation ("**Department**"). The Department, the Board and CSA shall be referred to collectively herein as "**Agencies**."

WHEREAS, the purpose of this Agreement is to set forth the roles, responsibilities and performance expectations of the Parties with respect to the Participating County's construction of the Project under the authority of the CSA and the procedures for reimbursement by the State of those Participating County costs eligible for reimbursement as provided for under the SB 81 Local Youthful Offender Rehabilitative Facility Financing Program. This Agreement is intended to be read in conjunction with the other agreements necessary for the construction and finance of the Project under the SB 81 Local Youthful Offender Rehabilitative Facility Financing Program including, without limitation, the PDCA and the other agreements described in the PDCA Recitals. Nothing in this Agreement is intended to amend or modify the rights and obligations of the Parties under those other agreements including, without limitation, the PDCA.

WHEREAS, the Total Project Costs for the Project shall be defined in the PDCA Section 3.1(a). The State will provide financing ("**State Financing**") (up to a maximum of _____ Dollars (\$_____) ("**Maximum State Financing**")) and the Participating County will provide the Cash (hard) Match (as defined in Article 6(C) below) and the In-Kind (soft) Match (as defined in Article 6(C) below) (with the Cash (hard) Match and the In-kind (soft) Match collectively referred to as "**Participating County Funding**" and together with the Maximum State Financing, the "**Total Eligible Project Costs**".) Total Eligible Project Costs shall be used in determining Cash (hard) Match credit and In-kind (soft) Match credit to

the Participating Counties as specified in Exhibit A to this Agreement. As stated in PDCA Section 1.3, the SB 81 Financing Program is predicated on the Board's ability to issue Bonds for the Project. NOW, THEREFORE, in consideration of the promises and of the mutual agreements, provisions and covenants contained in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

ARTICLE 1. TERM AND TERMINATION

A. Term. This Agreement shall commence on the Effective Date and shall terminate upon the completion and State acceptance of the Final Audit (as defined below in Article 4(C)) unless terminated earlier as provided in Article 1(C) below.

C. Termination.

1. CSA in consultation with the other Agencies may terminate this Agreement in the event any of the following events or conditions occurs:

(a) Participating County's breach of a material term of this Agreement, any Project Document or any Applicable Laws provided Participating County has not cured such breach in all respects within such thirty (30) day period, which cure period may be extended for a reasonable time with the consent of CSA if the Participating County demonstrates that such additional time is required to cure such breach in a diligent and commercially reasonable manner;

(b) Termination of the PDCA as provided for in Article 2, Section 2.2(a) of the PDCA;

(c) Substantive alteration of the scope, cost or schedule of the Project without the prior written approval of CSA and the Board as required under the PDCA; or

(d) Refusal or inability to complete the Project in a manner consistent with the Agreement, and the other Project Documents (as defined below in Article 3) including all timelines, plans, and specifications as approved by CSA, or refusal or inability to comply with any Applicable Law.

2. The Participating County may, prior to the State providing any amount of financing, terminate this Agreement in the event any of the following occurs:

(a) The State's breach of a material term of this Agreement, any Project Document or any Applicable Laws provided the State has not cured such breach in all respects within thirty (30) days from notice of said breach, which cure period may be extended for a reasonable time with the consent of the Participating County if the State demonstrates that such additional time is required to cure such breach in a diligent and commercially reasonable

manner;

(b) Termination of the PDCA as provided for in Article 2 of the PDCA;

(c) Failure of the State to execute the Ground Lease or the Right of Entry for Construction; or

(d) In the event the Board determines the Participating County is no longer eligible for Project financing under the SB 81 Financing Program as set forth in section 1.2 of the PDCA.

3. In the event of termination provided in Article 1(C)(1), and unless the Parties agree in writing otherwise, Participating County shall, upon notification, refund to the CSA an amount equal to all State Financing previously disbursed to the Participating County. Any State Financing so remitted to the CSA may be subject to interest equal to the rate earned by the State Pooled Money Investment Account.

4. In the event of termination provided in Article 1(C)(1), the Participating County may appeal the termination decision in accordance with Article 10 of Exhibit A.

5. Nothing in this Article 1 in any way alters or limits the authority of CSA or the Agencies to withhold State Financing in accordance with Applicable Laws (as defined below) or any other right or remedy available to the State at law or in equity for breach of the Agreement.

ARTICLE 2. PROJECT OFFICIALS

A. CSA Representative. The CSA Executive Director or his or her designee shall be the State's representative ("**Agency Representative**") for administration of this Agreement. C. Incorporation of Approved Changes. Upon their completion, all Participating County assurances and submittals, submitted to and approved in writing by CSA are incorporated herein by reference and made a part of this Agreement.

D. Precedence. In the event of any inconsistency in the Project Documents, except as otherwise provided herein, the inconsistency shall be resolved by giving precedence in the following order: 1) PDCA; 2) the Ground Lease (as defined in the PDCA); 3) this Agreement including the CSA Local Youthful Offender Rehabilitative Facility Construction Agreement Standard Conditions attached hereto as Exhibit A; 4) the Right of Entry for Construction (as defined in the PDCA); 5) Participating County’s Project Proposal; 6) Participating County Project Description Detail and Budget; and 7) the Participating County’s proposal(s), modification(s), and submittals. In the event the Bonds are issued, any inconsistency between the Project Documents and the Bond Documents shall be resolved by giving precedence to the Bond Documents. To the extent the Parties mutually agree that a provision of a particular document should control with respect to an inconsistency between that document and another

document or documents, notwithstanding the other provisions of this section, such provision shall control.

ARTICLE 4. PARTICIPATING COUNTY OBLIGATIONS

Participating County agrees to the following covenants, assurances and submittals:

A. Participating County's Construction of Local Youthful Offender Rehabilitative Facility. The Participating County shall construct the Project to ensure and enable compliance with all Applicable Laws, and Participating County agrees that State Financing and Cash (hard) Match funds shall not supplant funds otherwise dedicated or appropriated for construction activities. No review or approval provided by the State, the Agencies or the State Fire Marshal of documents or submittals shall relieve Participating County of its obligation to design and construct the Project in accordance with this Agreement and all Applicable Laws including, without limitation environmental, procurement, safety and health, the SB 81 Financing Program, and Titles 15 and 24 of the CCR. The Agencies' review and approval of any Project Document is for the Agencies' purposes only. No alleged failure or oversight related to the Agencies' review of the Project or the Project Documents shall be construed as a waiver of any rights of the Agencies or the State of California, or construed as an excuse to performance by Participating County under this Agreement or any other agreement. All Plans (as defined below) prepared by the Participating County shall be consistent with the Participating County Project Proposal.

B. Valley Fever. California is one of several states in the country with soils that may contain spores known to cause the disease Coccidioidomycosis (sometimes called "Valley Fever"), which spores may be transmitted through contact with dirt and fugitive dust associated with construction activities. The Participating County shall disclose this information to Contractor in or prior to execution of a Construction Agreement. The Participating County, its Contractor and any lower-tier subcontractors shall take appropriate precautionary measures designed to minimize the exposure of their respective employees and other workers, Agencies' employees, and other individuals or personnel who may be present during construction activities.

C. Record Keeping and Audit Requirements. Participating County shall keep such full and detailed accounts records as are necessary for proper financial management of the Project. Participating County shall maintain a complete and current set of all books and records relating to the design and construction of the Project. Agencies shall be entitled, upon forty-eight (48) hour written notice, to inspect all books, records, and accounts kept by Participating County relating to the work contemplated by this Agreement. Within 90 calendar days after Final Completion (as defined below), Participating County shall deliver to Agencies a financial audit of the Project ("**Final Audit**"). The Final Audit shall be performed by a Certified Public Accountant or a Participating County auditor that is organizationally independent from the Participating County's project financial management functions. Nothing in this Article 3(C) shall limit the Participating County's record retention obligations as set forth in Article 7 of the PDCA. For purposes of this Agreement, "**Final Completion**" shall mean completion of the Project.

D. Compliance with Project Documents and Applicable Laws. Participating County agrees to comply with all terms and conditions of this Agreement, the other Project Documents

and all exhibits and schedules attached hereto or thereto and all Applicable Laws.

E. Project Plans. In addition to all submission requirements under the PDCA, the Participating County shall submit to CSA the architectural and design documents, drawings, specifications, calculations, general and special conditions, submittals, Project budgets, schedules and contracts (collectively, “Plans”) within the time frames as specifically set forth in Exhibit B and as otherwise may be required by the Project Documents and Applicable Laws. As a condition to the financing to be provided by the State through interim financing or the sale of the Bonds, Participating County shall cause to be prepared, in a form that are ready to construct, all required Plans and bid documents necessary to solicit bids, and complete the Project on time and within budget. Participating County is solely responsible for preparing all Plans and other documents for the public bidding process, as provided by Applicable Law. Participating County shall not solicit bids for the Project until CSA, together with the State Fire Marshal, have approved the final construction documents and specifications and the Department of Finance has approved these documents and specifications.

F. Construction. Participating County shall be responsible to contract for all design and construction services, and shall manage the day-to-day design and construction of the Project. Participating County shall cause the design and construction of the Project to be consistent with the requirements, limitations, and other terms of this Agreement, the Project Documents, all Applicable Laws, as well as all other agreements between the Agencies and Participating County.

G. Operation of Local Youthful Offender Rehabilitative Facility. Participating County shall be responsible to maintain the local youthful offender rehabilitative facility upon Final Completion and staff and operate the local youthful offender rehabilitative facility no later than ninety (90) days after Final Completion.

H. Professional Services. Participating County shall be responsible for providing all necessary professional services in order to carry out the design and construction of the Project. Participating County shall obtain all professional services from properly licensed design professionals. All Plans prepared by such design professionals shall bear the signature and seal of the design professional. All construction work on the Project shall be performed by properly licensed contractors and subcontractors. Participating County is encouraged to utilize a qualified construction manager and claims avoidance experts to facilitate timely and efficient construction of the Project.

I. Completion of Project. Participating County agrees to proceed expeditiously with, and complete, the Project in accordance with the Project Documents and Plans as approved by the CSA and the Agencies and/or as incorporated in all provisions of this Agreement. Participating County acknowledges and understands that failure to meet application assurances, construction timelines and any other milestones or timelines as set forth in the Project Documents or Plans as approved by the Agencies and/or as incorporated in all provisions of this Agreement, may result at any time in award adjustments or Agreement termination by the CSA.

ARTICLE 5. SUBSTANTIAL CHANGES.

In addition to the modification requirements set forth in Section 4.2 of the PDCA, no substantial change to the Project Documents or other substantial modification to the Project may be made by Participating County without the prior written permission of the CSA. Minor modifications to the Project do not require CSA approval, but must be documented and reported on routine progress reports to the CSA. Without limiting the foregoing, CSA approval shall be required upon any of the following events or circumstances:

1. more than minor changes which affect the design or scope of the Project;
2. a delay or change in the date of substantial completion or Final Completion;
3. a more than minor change to the design, location, size, capacity or quality of major items of equipment. As used herein "substantial" is as defined in the State Administrative Manual, section 6863. As used herein a minor change is any change which does not rise to the level of a substantial change under the State Administrative Manual, section 6863;
4. a change in approved budget categories or divisions, or movement of dollars between budget categories or divisions as indicated in Exhibit B except of movement of dollars from the "Contingency" budget category to another approved budget category; or
5. any change that would impact CSA or State Fire Marshal construction or operational regulations including, without limitation, Titles 15 and 24 of the CCR , or which affects the security or fire and life safety of the facility.

Participating County agrees that its Participating County Construction Administrator will give prompt notification in writing to the CSA of the occurrence of any of the above events and report any substantial modifications to the Agreement for Construction with its Contractor. CSA shall notify the Department consistent with Article 4 of the PDCA, and the Department shall make a Scope Change Request to the Board. Approval of this Scope Change Request by the Board shall be required before material change to the Project Documents or other substantial modification to the Project may be made by the Participating County.

In no event shall any budget changes be authorized which would cause the amount of Total Project Costs to be exceeded unless the Participating County covenants to fund such excess with lawfully available funds and with the consent of the Agencies and so appropriates such funding.

ARTICLE 6. PROJECT FUNDING

A. Invoices. Invoice and progress/final reports and all required audit reports shall be submitted to the CSA in a timely manner as specified in this Agreement and Exhibit A.

B. State Financing Obligations.

1. In no event or circumstance shall the State or Agencies be obligated to pay the Participating County under this Agreement or any other Project Document any amount in excess of the Maximum State Financing. Participating County waives any and all claims against

the Agencies or the State of California for any costs which exceed the Maximum State Financing. The Participating County is solely responsible for any and all cost, expenses or fees of the Project which exceed the Maximum State Financing. Reimbursement of county costs from State Financing shall be limited to those costs permitted under Article 1(A) of Exhibit A and/or specifically identified in Exhibit B as “**Eligible State Costs**” provided, however, The State’s obligations to reimburse Participating County for any State Financing is contingent on (1) the availability of Interim Financing and (2) even if Interim Financing is provided, the successful sale of bonds sufficient to cover all remaining Eligible State Costs. State Financing shall be subject to the terms and conditions set forth in the PDCA.

2. Eligible State Costs subject to reimbursement shall in no event or circumstance exceed Maximum State Financing. Because the funds to be paid are limited, Participating County shall be obligated to complete the Project without additional State Financing. No additional State Financing will be available, and Participating County should take all necessary precautions to ensure that the Project is designed and constructed within the Project budget. The Participating County shall be responsible for any costs exceeding the Total Eligible Project Costs.

3. State shall reimburse the Participating County for Eligible State Costs provided Participating County’s performance of the Project is consistent with the Project Documents, including the Construction Schedule, and Participating County is not in breach of any term or condition of this Agreement, any Project Document, or any Applicable Law. At mutually agreed upon intervals as set forth in Exhibit A Article 7, Participating County shall submit to CSA a reimbursement request for payments of Eligible State Costs for which Participating County has already paid.

4. CSA may reject any invoice or item on an invoice should it be determined that such invoice or item is ineligible for reimbursement under the terms of this Agreement, the Project Documents or any Applicable Laws (“**Improper Expenditure**”). Should it later be determined Participating County has been reimbursed for an Improper Expenditure or the State has made a payment to Participating County in excess of the amount for which the State is obligated (“**Excess Payment**”), CSA may withhold future payments or repayments in amounts equal to the Improper Expenditure or the Excess Payment. In the event the amount of an Improper Expenditure exceeds the total reimbursement amount due Participating County, or should the discovery of the Improper Expenditure or Excess Payment occur after payment of the Withhold Amount (as defined below), Participating County shall immediately pay to CSA the amount of the Improper Expenditure or Excess Payment.

5. At such time as the unreimbursed balance of the Eligible State Costs equals Five percent (5%) of the total Eligible State Costs (“**Withhold Amount**”), CSA shall withhold that amount as security for Participating County’s performance of all its obligations under this Agreement. The Withhold Amount shall be released upon satisfaction of all of the following conditions: (a) there has been Final Completion of the Project, (b) delivery by Participating County and acceptance by Agencies of the Final Audit and the Final Project Summary Report, (c) Participating County has staffed and operated the local youthful offender rehabilitative facility as required under Article 4(G) above, and (d) Participating County is not in breach of any provisions of this Agreement, the other Project Documents and Applicable Laws.

6. All agreements with the Contractor and any other contractor or subcontractor of Participating County or the Contractor providing services or goods on the Project and for which reimbursement with State Financing for all or any portion of the payment for such services or goods shall contain the provisions relating to payment set forth in Exhibit A to this Agreement.

C. Participating County Funding. Subject to all terms and provisions of this Agreement, the Participating County agrees to appropriate and spend cash (hard) matching funds as provided in Exhibits A and B ("**Cash (hard) Match**"). Subject to all terms and provisions of this Agreement, the Participating County agrees to provide in-kind (soft) match in accordance with Exhibits A and B ("**In-kind (soft) Match**"). Participating County agrees to expend Cash (hard) Match funds on a schedule that is at least pro-rata with the percentage expenditure of Eligible State Costs.

ARTICLE 7. ADMINISTRATIVE OVERSIGHT BY BOARD

Notwithstanding any other term or condition of this Agreement or any other Project Document, the scope and cost of the Project shall be subject to approval and administrative oversight by Board, as required by Welfare and Institutions Code Section 1971.

ARTICLE 8. PERFORMANCE AND PAYMENT BONDS

Participating County shall require the Contractor to procure and maintain a payment bond and a performance bond each of which shall be in an amount not less than one hundred percent (100%) of the Contractor's total contract price as set forth in the agreement between Participating County and Contractor. The bonds shall be issued by one or more surety companies acceptable to the Agencies. The performance bond required by this Article 8 shall name the State as an additional beneficiary under the bonds.

ARTICLE 9. INDEMNITY

As required by California Welfare and Institutions Code Section 1971(d), the Participating County hereby agrees to indemnify, defend and save harmless the State, including but not limited to the Board, the Department and the CSA, and each of their respective officers, governing members, directors, officials, employees, subcontractors, consultants, and agents (collectively, "Indemnitees") for any and all claims and losses arising out of the acquisition, design, construction, operation, maintenance, use and occupancy of the Project. The Participating County shall not be obligated to provide indemnity or defense where the claim arises out of the gross negligence or willful misconduct of the Indemnitees. These obligations shall survive any termination of this Agreement.

ARTICLE 10. DISPUTES

Disputes arising under or relating to this Agreement shall be resolved in accordance with the provisions of Article 10 of Exhibit A.

ARTICLE 11. GENERAL TERMS AND CONDITIONS

The general terms and conditions published by the Department of General Services at <http://www.documents.dgs.ca.gov/ols/GTC-610.doc> and applicable to all State of California contracts are hereby incorporated by reference into this Agreement. In the event of a conflict between GTC-610 and any sections herein, the sections herein take precedence. In signing below, the Participating County's authorized representative represents and warrants that the Participating County has read and understands these general terms and conditions.

IN WITNESS THEREOF, the Parties have executed this Agreement, as of the Effective Date.

Eligible State Costs also must be eligible for lease-revenue bond financing pursuant to this Agreement (including all Exhibits referenced therein) and all California state laws, rules, regulations, guidelines, and policies including, without limitation, Title 15, SB 81 Financing Program regulations and any other Applicable Laws. Such Eligible State Costs shall include, but are not limited to, the items set forth in subsection 1 through 4 below. Participating County shall receive CSA’s written consent prior to Participating County’s incurring the expense for any Project costs not listed below and for which Participating County wants State reimbursement provided such expenses do not fall within Participating County Costs as defined below in subsection (B).

1. On-site costs of facility construction of the CSA-approved local youthful offender rehabilitative facility project, including site preparation (eligible for State Financing or Cash (hard) Match).
2. Fixed equipment items (e.g., heating, ventilation, air conditioning, plumbing, lighting, communications, surveillance, security and life/safety equipment, etc.) as necessary for the operation of the local youthful offender rehabilitative facility (eligible for State Financing or Cash (hard) Match).

3. Needs assessments (staff salary/benefits and/or consultant costs directly related to the Project).

4. Site acquisition cost or current fair market land value supported by independent appraisal (on-site land only regardless of acquisition date) and as approved by the Department of General Services. This can be claimed for on-site land cost/value for new facility construction, on-site land cost/value of a closed facility that will be renovated and reopened, or on-site land cost/value used for expansion of an existing facility. It cannot be claimed for land cost/value under an existing operational detention facility.

6. Transition planning (staff salary/benefits and consultant activities directly related to the Project for activities after August 24, 2007).

D. Participating County shall not under any circumstance be reimbursed by the State from Board interim financing sources, lease-revenue bond funds or from any other financing source for Ineligible Project Costs. **"Ineligible Project Costs"** means all costs which are not eligible for lease-revenue bond financing or Participating County matching funds pursuant to the PDCA (including all Exhibits attached thereto) or pursuant to any California state law, rule, regulation, guideline, or policy including, without limitation, the SB 81 Financing Program or any other Applicable Law. Participating County shall be responsible for all Ineligible Project Costs (**"Participating County Costs"**). Ineligible Project Costs also shall include but are not limited to the following:

1. Those Project Costs that are determined by the CSA to be unreasonable or unnecessary costs.

2. Off-site costs, including access roads and utilities development, outside of a reasonable buffer zone surrounding the perimeter of the security fence, local youthful offender rehabilitative facility building, and parking lot.

23. All costs arising out of or attributable to County's malfeasance, misfeasance, mismanagement, or negligence.

ARTICLE 2. COUNTY'S GENERAL RESPONSIBILITY

County is solely responsible for design, construction, operation, and maintenance of the Project as identified in Exhibit B of this Agreement. Review and approval of plans, specifications, or other documents by CSA, the Agencies and the State Fire Marshal, is solely for the purpose of proper administration of State Financing by the CSA and the Agencies and shall not be deemed to relieve or restrict the County's responsibility.

ARTICLE 3. COUNTY ASSURANCES AND COMMITMENTS

A. Compliance with Laws and Regulations. This Agreement is governed by and shall be interpreted in accordance with the laws of the State of California. County shall at all times comply with all Applicable Laws (as defined in the Agreement).

B. Fulfillment of Assurances and Declarations. County shall fulfill all assurances, declarations, representations, and statements made by the County in the County Project Proposal, documents, amendments, and communications filed in support of its request for lease-revenue bond funds including adoption of a CSA approved staffing plan for staffing and operating the facility in accordance with state standards within ninety (90) calendar days of construction completion.

C. Use of State Financing. County shall expend all State Funds and identified matching funds solely for Eligible Project Costs. County shall, upon demand, remit to the CSA any State Financing not expended for Eligible Project Costs or an amount equal to any State Financing expended by the County in violation of the terms, provisions, conditions, or commitments of this Agreement. Any State Financing so remitted to the CSA shall include interest equal to the rate earned by the State Pooled Money Investment Account.

D. Permits and Licenses. County agrees to procure all permits and licenses necessary to complete the Project, pay all charges and fees, and give all notices necessary or incidental to the due and lawful proceeding of the Project work.

E. Compliance with Deliverables, Drawings, and Specifications. County agrees that

deliverables, drawings, and specifications, upon which prime and subcontracts are awarded, shall be the same as those submitted to and approved by the CSA.

F. Prime and Subcontracting Requirements. In accordance with the provisions of this Agreement, the County may contract with public or private contractors of services for activities necessary for the completion of the Project. County agrees that in the event of an inconsistency between the Agreement and any other Project Document and County's Agreement for Construction with a contractor, the Project Documents will prevail. County shall ensure that the contractor complies with all requirements of the Project Documents and all instructions of the County Construction Administrator regarding compliance with the Project Documents.

County assures that for any contract awarded by the County, such insurance (e.g., fire and extended coverage, workers' compensation, public liability and property damage, and "all-risk" coverage) as is customary and appropriate will be obtained.

County agrees that its contractor will list construction costs according to the CSI Divisions of the Schedule of Values as specified in Exhibit B. Since certain portions of the Project may not be eligible for State Financing in all requests for reimbursement, the County's contractor shall separately list work not eligible for State Financing, and the County Construction Administrator shall identify such work for the contractor.

County agrees that it is the County Construction Administrator's responsibility to provide a liaison between the County, the CSA, and its contractor. County agrees that its contractor is not responsible nor required to engage in direct discussion with the CSA or any representative thereof, except that the contractor shall in good faith exert its best effort to assist the County in fully complying with all requirements of the contract.

County agrees to place appropriate language in all contracts for work on the Project requiring the County's contractor(s) to:

1. Books and Records. Maintain adequate fiscal and Project books, records, documents, and other evidence pertinent to the contractor's work on the Project in accordance with generally accepted accounting principles. Adequate supporting documentation shall be maintained in such detail so as to permit tracing transactions from the invoices, to the financial statement, to the accounting records, and to the supporting documentation. These records shall be maintained for the period set forth in Article 5 below, and shall be subject to examination and/or audit by the CSA or designees, state government auditors or designees.

2. Access to Books and Records. Make such books, records, supporting documentations, and other evidence available to the CSA or designees, the Department, the Board, the Department of General Services, the Department of Finance, the Bureau of State Audits, their designated representatives, during the course of the Project and for the period set forth in Article 5 below, and provide suitable facilities for access, monitoring, inspection, and copying thereof. Further, the County agrees to include a similar right of the state to audit records and interview staff in any subcontract related to the performance of this Agreement.

3. Contractor Advisement. Be advised that a partial source of financing for the agreement between the County and Contractor for construction of the Project is the State

Financing, and that the county may not have funds to finance the Agreement for Construction independently of the State Financing. The contractor shall in all ways cooperate with the county and the CSA in maintaining a good working relationship. The contractor shall cooperate as instructed by the County Construction Administrator in resolving any disputes arising under the Agreement.

ARTICLE 4. PROJECT ACCESS

To the extent not inconsistent with the Bond Documents, as that term is defined in the PDCA Article 1 Section 1.1(a), at all times during construction of the Project and after final completion, the Participating County shall provide to employees, subcontractors, and consultants of the Agencies reasonable unrestricted access to observe, monitor and inspect the Project. The Agencies' access to observe, monitor and inspect shall include the right to review all documents and files relating to the Project, as well as construction on the Site, including all tests and inspections relating to design or construction of the Project.

ARTICLE 5. RECORDS

The County shall establish an Official Project File, as defined in the PDCA Article 7, Section 7.1.

The County shall establish separate accounting records for receipt, deposit, and disbursement of all Project funds as specified in Article 9.

The County shall maintain books, records, documents, and other evidence sufficient to reflect properly the amount, receipt, and disposition of all Project funds, including State Financing, any matching funds provided by the County and the total cost of the Project. The maintenance requirements extend to books of original entry, source documents supporting accounting transactions, the general ledger, subsidiary ledgers, personnel and payroll records, canceled checks, and related documents and records. Source documents include copies of all awards, applications, and required financial and narrative reports. Personnel and payroll records shall include the time and attendance reports for all individuals reimbursed under the award, whether they are employed full-time or part-time. Time and effort reports are also required for consultants and contractors. Supporting documentation for matching funds, goods or services shall, at a minimum, include the source of the match, the basis upon which the value of the match was calculated, and when the matching funds, goods, or services were provided. Receipts, signed by the recipient of donated goods and/or services should be issued and a copy retained. Generally accepted government accounting principles and adequate supporting documentation shall be maintained in such detail so as to provide an audit trail which will permit tracing transactions from the invoices to the financial statement, to the accounting records, and to the supporting documentation for the purpose of determining compliance with PCC § 10115 et seq., GC § 8546.7 and 2 CCR § 1896.60 et seq. (as applicable).

County shall maintain all records for the period set forth in the PDCA ("**Record Maintenance Period**"). County agrees to protect records adequately from fire or other damage. When records are stored away from the County's principal office, a written index of the location of records stored must be on hand and ready access must be assured. All County records shall be

subject at all reasonable times to inspection, examination, monitoring, copying, excerpting, transcribing, and audit by the CSA or designees, the Agencies, and by state government auditors or designees. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the Record Maintenance Period, the records must be retained until the completion of the action and resolution of all issues which arise from it or until the end of the Record Maintenance Period, whichever is later.

ARTICLE 6. ACCOUNTING AND AUDIT REQUIREMENTS

All funds received by the County shall be deposited into separate fund accounts which identify the funds and clearly show the manner of their disposition. County agrees that the audit and accounting procedures shall be in accordance with generally accepted government accounting principles and practices (see Accounting Standards and Procedures for Counties, California State Controller, Division of Local Government Fiscal Affairs) and adequate supporting documentation shall be maintained in such detail so as to provide an audit trail which will permit tracing transactions from support documentation to the accounting records to the financial reports and billings. The County further agrees to the following audit requirements:

A. Pre-payment Audit. Prior to the deposit of State Financing into the separate account, the CSA may require the County to have a system audit performed by an auditor satisfactory to the CSA to insure that the County's accounting system meets generally accepted government accounting principles;

B. Interim Audit. The CSA reserves the right to call for a program audit or a system audit at any time between the execution of this Agreement and the completion or termination of the Project. At any time, the CSA may disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action determined to be not in compliance with the terms and conditions of this Agreement, or take other remedies legally available; and,

C. Final Audit. Within ninety (90) calendar days of Final Completion, the County must obtain and submit a final program audit to the CSA (see Construction Financing Program Agreement Administration and Audit Guide). The audit shall be prepared in accordance with generally accepted auditing standards and government auditing standards for financial and compliance audits. The audit may be performed by the County subject to the terms hereinafter described, or the County may hire, at County cost, an independent auditor to complete the final audit. Counties should obtain assurances that the personnel selected to perform the audit collectively have the necessary skills. It is important that a sound procurement practice be followed when contracting for audit services. Sound contract and approval procedures, including the monitoring of contract performance, should be in place. The objectives and scope of the audit should be made clear. In addition to price, other factors to be considered include: the responsiveness of the bidder to the request for proposal; the past experience of the bidder; availability of bidder staff with professional qualifications and technical abilities; and whether the bidder organization participates in an external quality control review program. It should be noted that these steps are important whether the county is hiring auditors from an outside CPA firm or within its own internal auditing unit.

Since the audit function must maintain organizational independence, the county financial officer for this Project shall not perform audits of the contract-related activities. If the county internal auditor performs the audit, the auditor must be organizationally independent from the county's accounting and project management functions. Additionally, internal county auditors who report to the financial officer, or to whom the financial officer reports, shall not perform the audit. The person conducting the audit shall be a certified public accountant, unless a county auditor completes the audit. Failure to comply with these qualifications standards could result in the rejection of the audit report.

At any time, the CSA may disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action determined to be not in compliance with the terms and conditions of this Agreement, or take other remedies legally available.

The CSA reserves the right to have an audit conducted (at the CSA's expense) at any time between execution of the Agreement up to and including the final audit of the Project.

ARTICLE 7. REPORTS

The County agrees to submit fiscal invoices and progress/final reports in a format specified by the CSA, and at mutually agreed upon intervals as defined below, during the period of the Agreement. Reports are due to the CSA even if State Financing is not expended or requested in the reporting period. Not submitting invoices and progress/final reports in a timely manner may result in disbursements being withheld. In addition, County shall immediately advise the CSA of any significant problems or changes arising during the course of the Project.

Without limitation of the foregoing, the following reports are required:

A. Fiscal Invoice and Progress/Final Report. The County agrees to submit fiscal invoices and progress/final reports to the CSA on the appropriate form provided to the County during the term of this Agreement and shall do so on a regular schedule of either monthly, bi-monthly or quarterly. The reports shall include, but not be limited to, Project construction activities, change orders issued, problems identified, assistance needed, state funds and match expenditures made, State Financing received, and State Financing requested.

ARTICLE 8. WITHHOLDING OF STATE DISBURSEMENTS

A. CSA may withhold all or any portion of the State Financing provided for by this Agreement in the event that:

1. County Breach of Agreement. The County has materially and substantially breached the terms and conditions of this Agreement or any other Project Document.
2. Insufficient County Funds. The County is unable to demonstrate, to the satisfaction of the CSA’s Executive Director, continuous availability of sufficient funds to complete the Project.
3. Insufficient Match Disbursement. The County has not expended its Cash (hard) Match requirement on a schedule that is at least pro-rata with the percentage expenditure of, collectively, interim financing and lease-revenue bond funds.

B. In the event that State Financing is withheld from the County, the CSA’s Executive Director or designee shall notify the County of the reasons for withholding and advise the County of the time within which the County may remedy the failure or violation leading to the withholding.

The CSA will not reimburse counties for costs identified as ineligible for State Financing. If State Financing has been provided for costs subsequently discovered to be ineligible, the CSA may either withhold an equal amount from subsequent payments to the County or require repayment of an equal amount to the state by the County. Any State Financing so remitted to the CSA may be subject to interest equal to the rate earned by the State Pooled Money Investment Account.

ARTICLE 9. DISBURSEMENT

County shall be paid in arrears on invoices of expenditures and requests for funds submitted to CSA at mutually agreed upon intervals, see Article 7(A), on the Fiscal Invoice and Progress/Final Report. County shall supply CSA with appropriate expenditure documentation and request for funds on form(s) provided by CSA and certify to the accuracy of

the report(s) in accordance with generally accepted governmental accounting principles and CSA regulations, guidelines, policies and procedures. County shall further certify that all listed expenditures are actual and that all funds were expended for the purpose of liquidating obligations identified in Exhibit B and legally incurred.

The State will issue a warrant for eligible funds within approximately 30 to 60 days of receipt of County invoice and documentation of eligible expenditures. All requests for payment shall be accompanied by any documentation as may be required by CSA or the Board and with such certification(s) as may be required by CSA.

ARTICLE 10. DISPUTES

County shall continue with the responsibilities under this Agreement during any disputes. Except as otherwise provided in this Agreement, any dispute concerning a question of fact arising under, or relating to, the performance of this Agreement which is not resolved by agreement between County and CSA staff shall be decided by the CSA. This clause does not preclude consideration of legal questions; nothing in this Agreement shall be construed as making final the decision of any administrative official, representative, or CSA on a question of law.

A County may appeal on the basis of alleged misapplication, capricious enforcement of regulations, or substantial differences of opinion as may occur concerning the proper application of regulations or procedures. Such appeal shall be filed within 30 calendar days of the notification of the action with which the County is dissatisfied. The request shall be in writing stating the basis for the dissatisfaction and the action being requested of the CSA.

A hearing shall be conducted by a hearing panel designated by the Chairperson of the CSA Board at a reasonable time, date, and place, but not later than 21 calendar days after the filing of the request for hearing with CSA, unless delayed for good cause. CSA shall mail or deliver to the appellant or authorized representative a written notice of the time and place of hearing not less than 14 calendar days prior to the hearing. The procedural time requirements may be waived with mutual written consent of the parties involved.

Appeal hearing matters shall be set for hearing, heard, and disposed of by a notice of decision by the CSA Board within 90 calendar days from the date of the request for appeal hearing, except in those cases where the appellant withdraws or abandons the request for hearing or the matter is continued for what is determined by the hearing panel to be good cause.

An appellant may waive a personal hearing before the hearing panel and under such circumstances, the hearing panel shall consider the written information submitted by the appellant and other relevant information as may be deemed appropriate.

The hearing is not formal in nature. Pertinent and relevant information, whether written or oral, will be accepted. Hearings will be tape recorded. After the hearing has been completed, the hearing panel shall submit an advisory recommendation on the matter to the CSA Board. The decision of the CSA Board shall be final.

Notwithstanding any other provision of this Article 10, this Article 10 shall not limit any

other rights or remedies available to the State or any other Agency under any other Project Document including, without limitation, the PDCA.

ARTICLE 11. REMEDIES

County agrees that any remedy provided in this Agreement is in addition to and not in derogation of any other legal or equitable remedy available to the CSA as a result of breach of this Agreement by the County, whether such breach occurs before or after completion of the Project. In the event of litigation between the parties hereto arising from this Agreement, it is agreed that the prevailing party shall be entitled to such reasonable costs and/or attorney fees and costs as may be ordered within the discretion of the Court.

ARTICLE 12. WAIVER

The Parties hereto may, from time to time, waive any of their rights under this Agreement unless such waiver is contrary to law, provided that any such waiver shall be in writing and signed by the party making such waiver.

NOW, THEREFORE, FOR AND IN CONSIDERATION of the mutual agreements of the Parties set forth herein and other good and valuable consideration, the adequacy and sufficiency of which are hereby acknowledged by the Parties, and intending to be legally bound, the Parties hereby agree as follows:

ARTICLE 1

GENERAL

1.1 General Covenants, Acknowledgements and Agreements of the Parties.

(a) The Parties hereto acknowledge and agree that an authorization by the Board to request the Interim Loan and the issuance of the Bonds by the Board is done in reliance upon, among other things, the promise of the relevant Parties to execute, deliver and perform their respective obligations, as applicable, under the Site Lease, the Facility Lease, the Facility Sublease, a Tax Agreement and Certificate in a form satisfactory to the Board to be executed in connection with the issuance of the Bonds (the "Tax Certificate"), a Continuing Disclosure Agreement, in a form satisfactory to the Board and executed in connection with the issuance of the Bonds (the "Continuing Disclosure Agreement") and all related certificates, agreements or other documents, including an indenture and supplemental indenture, if any, authorizing the Bonds that the Chair or Administrative Secretary of the Board or a duly authorized designee thereof may deem necessary or desirable to effectuate the sale of the Bonds. Such indenture, supplemental indenture, if any, the Site Lease, the Facility Lease, the Facility Sublease, the Tax Certificate and the Continuing Disclosure Agreement, are collectively referred to herein as the "Bond Documents."

(b) The Parties accept and agree to comply with, to the extent respectively applicable to them, all terms, provisions, conditions, and commitments of this Agreement, the Project Documents (as hereinafter defined) and the Bond Documents, including all incorporated documents, and that they will do and perform all acts and things permitted by law to effectuate the issuance of the Bonds.

(c) The Participating County, the Department and the CSA agree and acknowledge that the Project is subject to approval and oversight by the Board and the State Department of Finance ("Finance") consistent with the policy and laws governing the expenditure of a State capital outlay appropriation.

1.2 Approvals, Consents and Actions Necessary to Maintain Eligibility in the SB 81 Local Youthful Offender Rehabilitative Facility Financing Program. The Participating County acknowledges its eligibility for Project financing pursuant to the SB 81 Financing Program is subject to and contingent upon the following approvals, consents and actions by the Board and Finance;

(a) A determination by the Board that the Site meets the standard requirements for a site being leased in connection with the issuance by the Board of its lease revenue bonds;

(b) A determination by the Board that the Participating County match as set

forth in Article 3 has been satisfied as required by the Law and the source of the Cash (hard) Match (as hereinafter defined) and any associated security or terms related thereto has been determined by the Board to be compatible with the financing of the Project pursuant to the SB 81 Financing Program;

(c) The Board has established the scope, cost and schedule for the Project consistent with the Participating County's initial proposal submitted to the CSA and the Participating County has agreed that the Project shall be constructed and completed in accordance with such Project scope, cost and schedule established by the Board, except to the extent any modifications thereof may be approved by the Board through the State's standard capital outlay process;

(d) The Board has approved the Ground Lease, the Right of Entry and the Facility Sublease;

(e) Both the Board and Finance have approved the Preliminary Plans for the Project. As used herein "Preliminary Plans" shall mean a site plan, architectural floor plans, elevations, outline specifications, and a cost estimate, for each utility, site development, conversion, and remodeling project, the drawings shall be sufficiently descriptive to accurately convey the location, scope, cost, and the nature of the improvement being proposed;

(f) Finance has approved the Working Drawings for the Project and authorized the Participating County to proceed with soliciting competitive bids for construction of the Project. As used herein "Working Drawings" shall mean a complete set of plans and specifications showing and describing all phases of a project, architectural, structural, mechanical, electrical, civil engineering, and landscaping systems to the degree necessary for the purposes of accurate bidding by contractors and for the use of artisans in constructing the project;

(g) The Department has provided the Board the certification required by Welfare and Institutions Code Section 1970, which certification the Department intends to provide upon satisfaction of the required statutory and regulatory conditions;

(h) The Board has adopted a Resolution authorizing steps be taken to seek the Interim Loan together with declaring its intent to reimburse any such Interim Loan with the proceeds from the Bonds;

(i) A determination by the Board it will receive with respect to the Bonds the normal and customary opinions and certificates delivered in connection with an issuance of lease revenue bonds by the Board; and

(j) The sale of the Bonds.

1.3 SB 81 Lease Revenue Bond Financing. State financing for the SB 81 Financing Program is predicated on the Board's ability to issue Bonds for the Project. The Board, acting in good faith, intends to authorize the request for the Interim Loan and, subject to approvals, consents, and actions set forth in section 1.2, to issue Bonds for the Project. As further protection for the Participating County, Finance, acting in good faith, will not approve the Participating County

to proceed to bid until and unless the Board has approved the project and secures interim or permanent financing for the State's share of the Project's costs. The Board, the Department and the CSA will make reasonable and good faith efforts to assist in gaining assurance that the Site, the Project, the Participating County's ultimate use of the Project and the Cash (hard) Match (as hereinafter defined) are developed and implemented in such a way to facilitate the financing of the Project through the issuance and sale of the Bonds.

Prior to the Board's authorization to request the Interim Loan, the Department shall have certified to the Board that the Participating County is a participating county as required by Section 1970 of the California Welfare and Institutions Code and the CSA shall have approved the design and construction of the Project in accordance with Section 1971 of the California Welfare and Institutions Code.

Notwithstanding the Board's good faith efforts to authorize and provide financing for the Project, the State (including without limitation the Board, the Department, and the CSA) shall not be obligated to issue Bonds for the Project or authorize the Interim Loan request upon the Board's good-faith determination that such financing is not feasible or appropriate, based upon any one or more of the following factors: the lack of suitability of the Project's configuration or site for lease revenue bond financing, local funding that is incompatible with the issuance of lease revenue bonds by the Board, adverse market conditions, adverse outcomes to legal challenges, inability to obtain access to the financial markets or inability to obtain reasonable rates, inability to receive opinions and certificates customarily delivered in connection with the issuance of lease revenue bonds, or another occurrence or state of affairs that would make it objectively infeasible or inappropriate for the Board to issue Bonds or authorize the Interim Loan request.

In the event the Board determines that it is not feasible or appropriate to issue Bonds or to authorize the Interim Loan request, the Participating County is not entitled to receive the Maximum State Financing (as hereinafter defined) or other State funding for the Project, and shall not receive reimbursement from the State for any Project costs. However, in the event the Board is unable to issue the Bonds to finance the Project and the Interim Loan has been provided, the Department shall commit a sufficient amount of its annual support appropriation to repay the Interim Loan and any other interim financing costs associated with the Interim Loan and all associated costs.

1.4 The Department and the CSA Act as Liaison of Board and Finance to Participating County. The Parties hereto acknowledge that obtaining the approvals and consents of the Board and/or Finance and the provision of documents to the Board and/or Finance as set forth in this Article I and otherwise herein shall be a responsibility of the Department and CSA. The Department and the CSA will act as liaisons between the Participating County and the Board and Finance, and on their own behalf and behalf of the Board and Finance, will work with the Participating County to obtain such consents and approvals, and to provide such documents to the Board and Finance, as applicable.

(f) The execution and delivery of this Agreement and the Ground Lease, the Right of Entry for Construction, the Site Lease, the Facility Lease, the CSA Agreement and the Facility Sublease, the consummation of the transactions herein and therein contemplated and the fulfillment of or compliance with the terms and conditions hereof and thereof, will not conflict with or constitute a violation or breach of or default (with due notice or the passage of time or both) under any applicable law or administrative rule or regulation, or any applicable court or administrative decree or order, or any indenture, mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the CSA or the Department is a party or by which it or its properties are otherwise subject or bound, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the CSA or the Department, which conflict, violation, breach, default, lien, charge or encumbrance might have consequences that would materially and adversely affect the consummation of the transactions contemplated by this Agreement, the Ground Lease, the Right of Entry for Construction, the CSA Agreement or the Facility Sublease, or the financial

condition, assets, properties or operations of the CSA or the Department.

1.8 Compliance with Terms and Conditions of the Project Documents. The Parties agree to comply with all terms and conditions relating to the respective party of this Agreement, the CSA Agreement, the Ground Lease, the Right of Entry for Construction and all exhibits and schedules attached hereto and thereto relating to the Party (collectively, the "Project Documents"), as well as all applicable laws including, without limitation, the Law and those laws, regulations and guidelines set forth in the CSA Agreement.

1.9 Conflicts Between Terms of Documents. In the event of any inconsistency in the Project Documents, except as otherwise provided herein, the inconsistency shall be resolved by giving precedence in the following order: 1) this Agreement; 2) the Ground Lease, 3) the CSA Agreement and all exhibits and schedules attached thereto, and 4) the Right of Entry for Construction. In the event the Bonds are issued, any inconsistency between the Project Documents and the Bond Documents shall be resolved by giving precedence to the Bond Documents. To the extent the Parties mutually agree that a provision of a particular document should control with respect to an inconsistency between that document and another document or documents, notwithstanding the other provisions of this section, such provision shall control.

1.10 Indemnity. As required by Welfare and Institutions Code Section 1971(d), the Participating County hereby agrees to indemnify, defend and save harmless the State, including but not limited to the Board, Department and CSA, and each of their respective officers, governing members, directors, officials, employees, subcontractors, consultants, and agents (collectively, "Indemnitees") for any and all claims and losses arising at any time out of the acquisition, design, construction, operation, maintenance, use and occupancy of the Project. The participating County shall not be obligated to provide indemnity or defense where the claim arises out of the gross negligence or willful misconduct of the Indemnitees. These obligations shall survive any termination of this agreement.

(a) *Assignment of Rights and Interest under this Agreement.* Except as otherwise contemplated hereunder, the Participating County may not sublicense, assign, or otherwise confer upon any other person or entity its rights or interests under this Agreement, nor may the Participating County delegate any of its duties or responsibilities required by this Agreement, whether by operation of law or otherwise, without the express, prior written consent of the Agencies, the rights and obligations hereunder imposed being personal to the Participating County.

(b) *Assignment or Subletting of Facility.* The Participating County and the Department hereby covenant and agree that none of the Ground Lease, the Facility Lease or the Facility Sublease nor any interest of such Parties thereunder shall be sold, mortgaged, pledged, assigned, or transferred by the Parties thereto by voluntary act or by operation of law or otherwise; provided, however, that the Facility may be subleased in whole or in part by the Participating County with the prior written consent of the Department and the Board to the form and substance of such sublease, which consent shall not be unreasonably withheld, and, provided further that, any such sublease shall be subject to the following conditions:

(i) Any sublease of the Facility by the Participating County shall explicitly provide that such sublease is subject to all rights of the Department and the Board under the Facility Sublease, including, the right to re-enter and re-let the Facility or terminate such lease upon a default by the Participating County; and

(ii) At the request of the Department or the Board, the Participating County shall furnish the Department, the Board and the State Treasurer with an opinion of nationally-recognized bond counsel acceptable to the Board to the effect that such sublease will not, in and of itself, cause the interest on the Bonds to be included in gross income for federal income tax purposes.

(c) *Restrictions on Private Use of Facility.* The Participating County acknowledges that its ability to assign or sublet the Facility is subject to the provisions of Section 6.1.2 hereof.

1.12 Relationship of Parties. The parties hereto acknowledge and agree that, to the extent expressly provided in this Agreement, the relationship of the Participating County to the Agencies is that of an agent to the Agencies and that the Participating County is principally responsible for the acquisition, design, construction, maintenance, and operation of the Project. Other than as set forth herein, nothing in this Agreement shall create between the Participating County and any of the Agencies the relationship of joint venturers, partners or any other similar or representative relationship, and the Participating County shall not hold itself out as an agent (except as expressly provided herein), representative, partner, member or joint venturer of the Agencies. The Participating County shall not make for or on behalf of the Agencies, or subject the Agencies to, any contract, agreement, warranty, guaranty, representation, assurance or other obligation, which has not been approved in advance in writing by the applicable Agency. This Agreement is for the sole and exclusive benefit of the Parties hereto and their respective successors and assigns, and no third party (including without limitation the owners of the Bonds) is intended to or shall have any rights hereunder.

ARTICLE 2

TERM AND TERMINATION OF AGREEMENT

2.1 Term of Agreement. This Agreement shall commence on the Effective Date and shall terminate upon the later of (i) completion of the construction of the Project or (ii) if the Board issues the Bonds, execution and delivery of the Facility Sublease, unless terminated earlier as provided in Section 2.2. The provisions of certain sections hereof as indicated by the express terms thereof will survive termination of this Agreement.

2.2 Termination of Agreement.

(a) *Termination by the State.* The Department or the CSA, with the consent of the Board, or the Board may terminate this Agreement in the event any of the following occurs:

(i) The Participating County's breach of a material term of this Agreement, any Project Document or any Applicable Laws (as defined in the CSA Agreement)

provided the Participating County has not cured such breach in all respects within thirty (30) days from notice of said breach, which cure period may be extended for a reasonable time with the consent of the Agencies if the Participating County demonstrates that such additional time is required to cure such breach in a diligent and commercially reasonable manner;

(ii) Substantive alteration of the Board approved scope, cost or schedule for the Project as set forth in **Exhibit A** without the prior written approval of the Board;

(iii) Failure to execute the Ground Lease or the Right of Entry for Construction;

(iv) Failure to provide the Participating County Funding (as hereinafter defined) when and as required under this Agreement, the Law or any project agreement to which the Participating County is a party;

(v) In the event the Department and/or the CSA terminates the CSA Agreement, with the consent of the Board; or

(vi) In the event the Board determines the Participating County is no longer eligible for Project financing under the SB 81 Local Youthful Offender Rehabilitative Facility Financing Program as set forth in section 1.2 hereof.

(b) *Termination by the Participating County.* The Participating County may, prior to the State providing any amount of financing, terminate this Agreement in the event any of the following occurs:

(i) The State's breach of a material term of this Agreement, any Project Document or any Applicable Laws (as defined in the CSA Agreement) provided the State has not cured such breach in all respects within thirty (30) days from notice of said breach, which cure period may be extended for a reasonable time with the consent of the Participating County if the State demonstrates that such additional time is required to cure such breach in a diligent and commercially reasonable manner;

(ii) Failure of the State to execute the Ground Lease or the Right of Entry for Construction;

(iii) In the event the Board determines the Participating County is no longer eligible for Project financing under the SB 81 Local Youthful Offender Rehabilitative Facility Financing Program as set forth in section 1.2 hereof.

(c) *Agreement.* The Parties may terminate this Agreement by mutual agreement. The Board, the Department, and the Authority agree to terminate this agreement in the event that the Participating County determines it cannot proceed with the Project after initial construction bids are received, but before any construction contract is awarded.

(d) *Notice of Termination.* Prior to terminating this Agreement under the provisions of this Article 2, the Parties shall provide to each other, as applicable, at least thirty (30) calendar days written notice, stating the reason(s) for termination and effective date thereof.

(e) *No Impairment.* Nothing in this Article 2 in any way alters or limits the authority of the Department, the CSA or the Board to withhold all or a portion of the Maximum State Financing (as hereinafter defined) in accordance with law or otherwise as permitted hereunder or any other right or remedy available to the State at law or in equity for breach of this Agreement.

ARTICLE 3

COST SHARING OF THE PROJECT

3.1 Financing Eligibility of the Project.

(a) *General.* Subject to the terms and provisions hereof, the costs for construction of the Project shall be shared by the State and the Participating County with the State providing financing up to a maximum of _____ Dollars (\$_____) (“Maximum State Financing”) and the Participating County providing the Cash (hard) Match (as defined below) funding and the In-Kind (soft) Match (as defined below) funding (collectively, the “Participating County Funding” and together with other Participating County-borne project costs not included as Participating County Funding and the Maximum State Financing, the “Total Project Costs”). Provided, however, that the Board may provide all or a portion of the Maximum State Financing for Project costs at its discretion as set forth herein. The sources for the Maximum State Financing shall be limited to the proceeds of the Interim Loan, and the proceeds of the Bonds. If Bonds are issued and sold, the proceeds will be used to repay the Interim Loan and to provide additional financing for the Project as appropriate. If the Bonds are issued and sold, in no event or circumstance shall the State or Agencies be obligated to pay the Participating County under this Agreement or any other Project Document any amount in excess of the Maximum State Financing.

(b) *Cash (hard) Match.* Subject to all terms and provisions of this Agreement, the Participating County agrees to appropriate and spend cash (hard) matching funds for the Project as provided in the CSA Agreement (“Cash (hard) Match”). **Exhibit E-1** is a detailed description of and certification related to the source or sources of the Cash (hard) Match and any associated security or terms related thereto as approved by the CSA and the Board, which detail and assurance of has been deemed sufficient by the Board to determine that the use of such funds as the Cash (hard) Match is compatible with the financing of the Project pursuant to the SB 81 Local Youthful Offender Rehabilitative Facility Financing Program. Any modifications to the source or sources of the Cash (hard) Match or the associated security and terms related thereto as described in **Exhibit E-1** must be approved by the CSA and the Board. The Participating County shall ensure that all Cash (hard) Match is encumbered prior to Finance approval of proceeding to bid the Construction Contract (defined below).

(c) *In-Kind (soft) Match.* Subject to all terms and provisions of this Agreement, the Participating County agrees to provide in-kind (soft) match for the Project as provided in the CSA Agreement (“In-kind (soft) Match”). The Participating County has provided in **Exhibit E-2** a detailed description of the In-kind (soft) Match for the Project as approved by the Department, the CSA and the Board. Any modifications to the In-kind (soft) Match as described in **Exhibit E-2** must be approved by the Department, the CSA and the Board.

3.2 Excess Project Costs. In no event shall any Project scope, cost, budget or schedule changes be authorized by the Participating County which would cause the amount of Total Project Costs to be exceeded unless the Participating County covenants to fund such excess with lawfully available funds and the Participating County first obtains the consent of the Agencies. The Participating County is solely responsible for any and all cost, expenses or fees of the Project which exceed the Maximum State Financing and the Participating County covenants to use its best efforts to promptly appropriate sufficient amounts to cover such cost, expenses or fees. The Participating County waives any and all claims against any of the Agencies or the State in the event that Total Project Costs exceed the amount initially established by the Board.

3.3 Project Cost Savings. To the extent there exists Project cost savings during the Project the amount of such savings shall be applied first to the Participating County to the extent the Participating County has identified Participating County Funding in an amount more than required by the Applicable Laws (as defined in the CSA Agreement). Thereafter, cost savings shall be shared by the State and the Participating County on a pro rata basis determined by the percentage of the total amount of Project costs financed by the State and Participating County Funding, respectively. However, in no case may savings be applied to the Participating County that would (1) result in the State providing financing for activities other than eligible construction costs; or (2) result in the Participating County providing less than the percentage of Cash (hard) Match required by Applicable Laws.

ARTICLE 4

PROJECT SCOPE, COST AND SCHEDULE

4.1 The Project. See **Exhibit A** for a description of the scope and cost of the Project, including a narrative description of the Project, budgeted costs related to the Project and a schedule for completion of design and construction of the Project.

4.2 Modification of Project Scope, Cost or Schedule. No substantial change or other substantial modifications to the Project scope, cost or schedule may be made by the Participating County without prior written permission of Finance and the recognition by the Board ("Scope Change Request"). Minor modifications to the project do not require Finance approval and Board recognition, but must be documented and reported on routine progress reports to the CSA as set forth in the CSA Agreement. Without limiting the foregoing, the Participating County shall notify the Department, the CSA, and the Department shall make a Scope Change Request to the Board upon any of the following events or circumstances:

- (a) More than minor changes which affect the design, project configuration, cost or schedule of the Project;
- (b) A delay or change in the substantial completion or final completion dates for the Project;
- (c) A more than minor change to the design, location, size, capacity or quality of major items of equipment;
- (d) A change in approved budget categories, or movement of dollars between

budget categories as indicated in the Board approved scope cost and schedule as identified in **Exhibit A**.

(e) As used herein “substantial” is as defined in the State Administrative Manual, section 6863. As used herein a minor change is any change which does not rise to the level of a substantial change under the State Administrative Manual, section 6863.

The Participating County agrees that it will give prompt notification in writing to the CSA of the occurrence of any of the above events and promptly report, in writing, to the CSA any modifications to the Construction Contract (as hereinafter defined) with respect to the Project. The CSA will provide the aforementioned notices and reports to the Board. The Participating County agrees further that, for purposes of the immediately preceding clause (a) and (c), if unsure whether a particular change is minor it will discuss the appropriate characterization with CSA.

4.3 Excess Project Costs. In no event shall any scope, cost or budget changes be authorized which would cause the amount of Total Project Costs to be exceeded unless the Participating County covenants to fund such excess with lawfully available funds and with the consent of the Agencies and so appropriates such funding.

ARTICLE 5

The property casualty insurance shall be in a form satisfactory and with carriers which are acceptable to the Board.

(c) Disposition of Insurance Proceeds. The Participating County agrees and acknowledges that the Board, in its sole discretion, may elect to use the proceeds of insurance procured pursuant to this Agreement to repay the Interim Loan and related costs. However, in the event of (i) damage or destruction of the Project caused by the perils covered by the insurance procured pursuant to this Agreement and (ii) if the Board elects to repay the Interim Loan and related costs, and (iii) if any insurance proceeds remain after the Interim Loan and related costs have been repaid, and (iv) such remaining insurance proceeds are distributed to the Department, then the Department agrees to distribute such remaining proceeds to the Participating County.

The Participating County understands that the State's acquisition process requires an appropriation of funds and the approval of the Board. The Participating County agrees to reasonably cooperate with the Department in obtaining such approval and in meeting any other State property acquisition requirements that may exist at that time. If the Department informs the Participating County of the Department's intention to acquire the Site within said fifteen (15) month period, the Parties agree to negotiate a purchase agreement in good faith and at a price that is the fair market value of the Site at the time the Department exercises its Right of First Offer.

The Participating County shall at all times maintain, or otherwise arrange for the maintenance of, the Facility in good condition, and the Participating County shall pay for, or otherwise arrange for, the payment of all utility services supplied to the Facility, and shall pay for, or otherwise arrange for, the payment of the costs of the repair and replacement of the Facility resulting from ordinary or extraordinary wear and tear or want of care on the part of the Participating County or any other cause (except for a catastrophic uninsured loss), and shall pay for, or otherwise arrange for, the payment of any insurance policies, except those provided by the Department pursuant to the Facility Lease.

(b) Rent. The Department shall pay all Base Rental and Additional Rental as required under the Facility Lease. The Participating County shall pay upon the order of the Department or the Board as rent hereunder such amounts, if any, in each year as shall be required by the Department or Board for the payment of all applicable taxes and assessments of any type or nature assessed or levied by any governmental agency or entity having power to levy taxes or assessments charged to the Department, the Board or the State Treasurer affecting or relating to the Facility or their respective interests or estates therein. Except for the Base Rental and Additional Rental obligations and insurance obligations as specified in the Facility Lease, the Department shall have no duty under this Facility Sublease to pay for any other costs to maintain and operate the Facility. The rent required under this section 6(b) shall be abated proportionately during any period in which the Department's obligation to pay rent under the Facility Lease shall be abated.

The Participating County shall submit to the Department within 15 Business Days of the adoption of the Participating County's Budget each year, a copy of its approved and authorized budget that details the amounts allocated to maintain and operate the Facility, including any reserves. This report shall be in a form approved by the Board and shall incorporate any other summary to be provided by the Department pursuant to the terms of any facility sublease entered into by the Department in connection with facilities constructed pursuant to the Law, as applicable.

SECTION 7. Insurance.

(a) Insurance Obligations of the Department. The Department will pay or cause to be paid the cost of all insurance required to be maintained under the Facility Lease. The Participating County will not be required to pay or reimburse the Department or any other State of California agency for these insurance costs or any deductible paid by the State. The Department will provide, or cause to be provided, proof of insurance coverage to the Participating County.

In the event of (i) damage or destruction of the Facility caused by the perils

covered by the insurance required under the Facility Lease and (ii) if the Board elects, under the terms of the Facility Lease and the Indenture, to redeem the outstanding Bonds, and (iii) if any insurance proceeds remain after the Bonds have been redeemed and such remaining proceeds are not needed under the terms of the Indenture, and (iv) such funds are distributed to the Department, then the Department agrees to distribute such funds to the Participating County.

The Department will not insure the Participating County's equipment, stored goods, other personal property, fixtures, or tenant improvements, nor such personal property owned by Participating County's, subtenants or assigns, if any, or invitees. The Department shall not be required to repair any injury or damage to any personal property or trade fixtures installed in the Facility by the Participating County caused by fire or other casualty, or to replace any such personal property or trade fixtures. The Participating County may, at its sole option and expense, obtain physical damage insurance covering their equipment, stored goods, other personal property, fixtures or tenant improvement or obtain business interruption insurance.

The Participating County and its boards, officers, agents and employees shall be named as additional insureds on the above insurance. To the extent permitted by law, the Department and the Participating County agree to release the other and waive their rights of recovery against the other for damage to the Facility or their respective property at the Facility arising from perils insured under any commercial property insurance listed in this Facility Sublease or the Facility Lease. The property insurance policies of the Department and the Participating County shall contain a waiver of subrogation endorsement in favor of the other.

(b) Insurance Obligations of the Participating County. The Participating County, at its own cost and expense, shall secure and maintain or cause to be secured and maintained from an insurance company or companies approved to do business in the State of California and maintain during the entire term of this Facility Sublease, the following insurance coverage for the Facility:

(1) General liability insurance in an amount not less than one million Dollars (\$1,000,000) per occurrence. Evidence of such insurance shall be on a General Liability Special Endorsement form and should provide coverage for premises and operations, contractual, personal injury and fire legal liability;

(2) By signing this Facility Sublease, the Participating County hereby certifies that it is aware of the provisions of Section 3700, *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that Code, and that it will comply, and it will cause its subtenants and assignees to comply, with such provisions at all such times as they may apply during the term of this Facility Sublease.

(3) Auto insurance (written on ISO policy form CA 00 01 or its equivalent) with a limit of not less than one million dollars (\$1,000,000) per occurrence. Such insurance shall include coverage for all "owned," "hired" and "non-owned" vehicles or coverage for any auto.

(c) Additional Insureds. The Participating County agrees that the Department

and the Board and their officers, agents and employees shall be included as additional insured in all insurance required herein.

(d) Insurance Certificate. The Participating County shall submit or cause to be submitted to the Department, by no later than June 30th of each year, a certificate of insurance or other evidence of insurance in a form satisfactory to the Department.

(e) Self-Insurance. Notwithstanding any other provision of this Section, the Participating County may satisfy the insurance obligations hereunder by a combination of commercial insurance, formal risk pooling under California statutory provisions, and/or a self-funded loss reserve in whatever proportions are deemed appropriate by the Participating County. The Participating County shall furnish the Department and the Board with a certificate or other written evidence of the Participating County's election to provide or cause to be provided all or part of its coverage under a risk pooling, risk retention, or self-insurance program or any combination thereof.

SECTION 8. Assignment or Subletting of Facility.

(a) The Participating County and the Department hereby covenant and agree that neither this Facility Sublease nor any interest of either party in this Facility Sublease shall be sold, mortgaged, pledged, assigned, or transferred by either party by voluntary act or by operation of law or otherwise; provided, however, under certain circumstances, the Facility may be subleased in whole or in part by the Participating County. The Participating County shall not sublet or assign any portion of the Facility, or permit its subtenants to sublet or assign portions of the Facility, without obtaining the prior written consent and approval of the Department and the Board to the form and substance of such sublease, the sublessee and, provided further that, any such sublease shall be subject to the following conditions:

(1) Any sublease of the Facility by the Participating County shall explicitly provide that such sublease is subject to all rights of the Department and the Board under the Facility Sublease, including, the right to re-enter and re-let the Facility or terminate such lease upon a default by the Participating County; and

(2) At the request of the Department or the Board, the Participating County shall furnish the Department, the Board and the State Treasurer with an opinion of nationally recognized bond counsel acceptable to the Board to the effect that such sublease will not, in and of itself, cause the interest on the Bonds to be included in gross income for federal income tax purposes.

(b) The Participating County acknowledges that if the Department breaches the terms of the Facility Lease a remedy for such breach available to the Board under the Facility Lease is to enter and re-let the Facility to an entity other than the Department. If the Board, at its discretion, chooses to exercise this remedy, the Board agrees its first offer to relet the Facility, the terms of such offer to be at the sole reasonable discretion of the Board, shall be made to the Participating County.

(c) This CDCR Facility Sublease shall not be subordinated.

SECTION 9. Hazardous Materials. The Participating County shall fully disclose in writing to the Department and the Board the existence, extent and nature of any Hazardous Materials, substances, wastes or other environmentally regulated substances, of which the Participating County has actual knowledge relative to the Project. The Participating County further warrants, covenants and represents that it will promptly notify the Department and the Board in writing of any change in the nature or extent of any Hazardous Materials, substances or wastes maintained on, in, around or under the Project or used in connection therewith, of which the Participating County gains actual knowledge, and will transmit to the Agencies and the Trustee copies of any citations, orders, notices or other material governmental or other communication received by the Participating County with respect to any other Hazardous Materials, substances, wastes or other environmentally regulated substances affecting the Project. The Participating County shall ensure (as to itself), and shall use its best efforts to ensure (as to its contractors, consultants and other agents), that all activities of the Participating County or any officers, employees, contractors, consultants, or any other agents of the Participating County performed at the Facility will be in full compliance with all federal, state and local environmental laws, regulations, and ordinances, and further agrees that neither the Participating County nor its contractors, consultants, agents, officers or employees will engage in any management of solid or hazardous wastes at the Project in violation of any Environmental Law. If the presence of Hazardous Materials on the Project results in the contamination or deterioration of the Project or any water or soil beneath the Project, the Participating County shall promptly take all action necessary to investigate and remedy that contamination.

The Participating County shall defend, indemnify and hold the Department and the Board harmless from and against any and all damages, penalties, fines, claims, liens, suits, liabilities, costs (including clean up costs), judgments and expenses (including attorneys', consultants', or experts' fees and expenses of every kind and nature) suffered by or asserted against the Department or the Board as a direct or indirect result of any warranty or representation made by the Participating County in the preceding paragraph being false or untrue in any material respect or the breach of any obligation of the Participating County in the preceding paragraph. The indemnification obligations set forth in this paragraph shall survive any termination of this Facility Sublease.

SECTION 10. Termination, Breach, Default and Damages.

(a) This Facility Sublease shall terminate upon the occurrence of the expiration of the lease term as set forth in Section 3.

(b) If the Participating County shall fail to keep, observe or perform any term, covenant or condition contained herein to be kept or performed by the Participating County for a period of sixty (60) days after notice of the same has been given to the Participating County by the Department or the Board or for such additional time as is reasonably required, in the sole discretion of the Department, with the consent of the Board, to correct any of the same, the Participating County shall be deemed to be in default hereunder and it shall be lawful for the Department to exercise any and all remedies available pursuant to law or granted pursuant to this Facility Sublease. Upon any such default, the Department, in addition to all other rights and remedies it may have at law, shall, with the consent of the Board, have the option to do any of the following:

(1) To terminate this Facility Sublease in the manner hereinafter provided on account of default by the Participating County, notwithstanding any re-entry or re-letting of the Facility as hereinafter provided for in subparagraph (2) hereof, and to re-enter the Facility and remove all persons in possession thereof and all personal property whatsoever situated upon the Facility and place such personal property in storage in any warehouse or other suitable place. In the event of such termination, the Participating County agrees to immediately surrender possession of the Facility, without let or hindrance, and to pay the Department and the Board all damages recoverable at law that the Department may incur by reason of default by the Participating County, including, without limitation, any costs, loss or damage whatsoever arising out of, in connection with, or incident to any such re-entry upon the Facility and removal

and storage of such property by the Department or its duly authorized agents in accordance with the provisions herein contained. Neither notice to deliver up possession of the Facility given pursuant to law nor any entry or re-entry by the Department nor any proceeding in unlawful detainer, or otherwise, brought by the Department for the purpose of effecting such re-entry or obtaining possession of the Facility, nor the appointment of a receiver upon initiative of the Department to protect the Board's interest under the Facility Lease shall of itself operate to terminate this Facility Sublease, and no termination of this Facility Sublease on account of default by the Participating County shall be or become effective by operation of law or acts of the parties hereto, or otherwise, unless and until the Department shall have given written notice to the Participating County of the election on the part of the Department to terminate this Facility Sublease. The Participating County covenants and agrees that no surrender of the Facility or of the remainder of the term hereof or any termination of this Facility Sublease shall be valid in any manner or for any purpose whatsoever unless stated or accepted by the Department by such written notice.

(2) Without terminating this lease, (i) to enforce any term or provision to be kept or performed by the Participating County or (ii) to exercise any and all rights of entry and re-entry upon the Facility. In the event the Department does not elect to terminate this Facility Sublease in the manner provided for in subparagraph (1) hereof, the Participating County shall remain liable and agrees to keep or perform all covenants and conditions herein contained to be kept or performed by the Participating County, and notwithstanding any entry or re-entry by the Department or suit in unlawful detainer, or otherwise, brought by the Department for the purpose of effecting a re-entry or obtaining possession of the Facility. Should the Department elect to re-enter as herein provided, the Participating County hereby irrevocably appoints the Department as the agent and attorney-in-fact of the Participating County to re-let the Facility, or any part thereof, from time to time, either in the Department's name or otherwise, upon such terms and conditions and for such use and period as the Department may deem advisable and to remove all persons in possession thereof and all personal property whatsoever situated upon the Facility and to place such personal property in storage in any warehouse or other suitable place, for the account of and at the expense of the Participating County, and the Participating County hereby exempts and agrees to save harmless the Department from any costs, loss or damage whatsoever arising out of, in connection with, or incident to any such re-entry upon and re-letting of the Facility and removal and storage of such property by the Department or its duly authorized agents in accordance with the provisions herein contained except for any such costs, loss or damage resulting from the intentional or negligent actions of the Department or its agents. The Participating County agrees that the terms of this Facility Sublease constitute full and sufficient notice of the right of the Department to re-let the Facility in the event of such re-entry without effecting a surrender of this Facility Sublease. The Participating County further agrees that no acts of the Department in effecting such re-letting shall constitute a surrender or termination of this Facility Sublease irrespective of the use or the term for which such re-letting is made or the terms

and conditions of such re-letting, or otherwise, but that, on the contrary, in the event of such default by the Participating County the right to terminate this Facility Sublease shall vest in the Department to be effected in the sole and exclusive manner provided for in subparagraph (1) hereof. The Participating County further agrees to pay the Department the cost of any alterations or additions to the Facility necessary to place the Facility in condition for re-letting immediately upon notice to the Participating County of the completion and installation of such additions or alterations.

(c) This Facility Sublease may be terminated at the option of the Board if the Board determines to exercise its right to enter and re-let the Facility under the Facility Lease pursuant to a default by the Department thereunder.

(d) In addition to any default resulting from breach by the Participating County of any term or covenant of this Facility Sublease, if (1) the Participating County's interest in this Facility Sublease or any part thereof be assigned, sublet or transferred without the prior written consent to the Department and the Board, either voluntarily or by operation of law, or (2) the Participating County or any assignee shall file any petition or institute any proceedings under any act or acts, state or federal, dealing with or relating to the subject of bankruptcy or insolvency or under any amendment of such act or acts, either as a bankrupt or as an insolvent or as a debtor or in any similar capacity, wherein or whereby the Participating County asks or seeks or prays to be adjudicated as bankrupt, or is to be discharged from any or all of the Participating County's debts or obligations, or offers to the Participating County's creditors to effect a composition or extension of time to pay the Participating County's debts, or asks, seeks or prays for a reorganization or to effect a plan of reorganization or for a readjustment of the Participating County's debts or for any other similar relief, or if any such petition or if any such proceedings of the same or similar kind or character be filed or be instituted or taken against the Participating County, or if a receiver of the business or of the property or assets of the Participating County shall be appointed by any court, except a receiver appointed at the insistence or request of the Department or the Board, or if the Participating County shall make a general or any assignment for the benefit of the Participating County's creditors, or (3) the Participating County shall abandon the Facility, then the Participating County shall be deemed to be in default hereunder.

(e) The Department shall in no event be in default in the performance of any of its obligations hereunder unless and until the Department shall have failed to perform such obligations within sixty (60) days or such additional time as is reasonably required to correct any such default after notice by the Participating County to the Department that the Department has failed to perform any such obligation.

(f) The Participating County hereby waives any and all claims for damages caused or which may be caused by the Department in re-entering and taking possession of the Facility as herein provided and all claims for damages that may result from the destruction of or injury to the Facility and all claims for damages to or loss of any property belonging to the Department, or any other person, that may be in or upon the Facility, except for such claims resulting from the intentional or negligent actions of the Department or its agents.

Each and all of the remedies given to the Department hereunder or by any law

now or hereafter enacted are cumulative and the single or partial exercise of any right, power or privilege hereunder shall not impair the right of the Department to other or further exercise thereof or the exercise of any or all other rights, powers or privileges. The term "re-let" or "re-letting" as used in this Section shall include, but not be limited to, re-letting by means of the operation or other utilization by the Department of the Facility. If any statute or rule of law validly shall limit the remedies given to the Department hereunder, the Department nevertheless shall be entitled to whatever remedies are allowable under any statute or rule of law.

In the event the Department shall prevail in any action brought to enforce any of the terms and provisions of this Facility Sublease, the Participating County agrees to pay reasonable attorney's fees incurred by the Department in attempting to enforce any of the remedies available to the Department hereunder; whether or not a lawsuit has been filed and whether or not any lawsuit culminates in a judgment.

SECTION 11. Additions, Betterments, Extensions or Improvements; Liens. If any proposed additions, betterments, extensions or improvements of the Facility require approval by the Corrections Standards Authority, the Participating County shall concurrently with the request for such approval(s) request the approval to such additions, betterments, extensions or improvements of the Board. The Participating County acknowledges the commencement of such additions, betterments, extensions or improvements shall be subject to receipt by the Participating County of the Board's approval thereto. In the event the Participating County shall at any time during the term of this Facility Sublease cause any additions, betterments, extensions or improvements to the Facility to be acquired or constructed or materials to be supplied in or upon the Facility, the Participating County shall pay or cause to be paid when due all sums of money that may become due, or purporting to be due for any labor, services, materials, supplies or equipment furnished or alleged to have been furnished to or for the Participating County in, upon or about the Facility and shall keep the Facility free of any and all mechanics' or materialmen's liens or other liens against the Facility or the Department's or the Board's interest therein. In the event any such lien attaches to or is filed against the Facility or the Department's or the Board's interest therein, the Participating County shall cause each such lien to be fully discharged and released at the time the performance of any obligation secured by any such lien matures or becomes due, except that if the Participating County desires to contest any such lien it may do so. If any such lien shall be reduced to final judgment and such judgment or such process as may be issued for the enforcement thereof is not promptly stayed, or if so stayed and said stay thereafter expires, the Participating County shall forthwith pay or cause to be paid and discharged such judgment. In accordance with Section 20, the Participating County agrees to and shall, to the maximum extent permitted by law, defend, indemnify and hold the Department, the Board, the State Treasurer and their members, directors, agents, successors and assigns harmless from and against and defend each of them against any claim, demand, loss, damage, liability or expense (including attorneys' fees) as a result of any such lien or claim of lien against the Facility or the Department's or the Board's interest therein. The Participating County hereby acknowledges and agrees that it shall not cause any additions, betterments, extensions or improvements to the Facility to occur in such a manner that Rental under the Facility Lease would be abated.

The Department covenants that the Project is not and will not be mortgaged, pledged, or hypothecated by the Department in any manner or for any purpose and that the

Project has not been and will not be the subject of a security interest by the Department. In addition, the Department covenants that the Project is not and will not be mortgaged, pledged, or hypothecated for the benefit of the Participating County or its creditors in any manner or for any purpose and that the Project has not been and will not be the subject of a grant of a security interest in favor of the Participating County or its creditors. The Department shall not in any manner impair, impede, or challenge the security, rights and benefits of the owners of the Bonds or the trustee for the Bonds.

SECTION 12. Continuing Disclosure. The Participating County hereby covenants and agrees that it will fully cooperate with the Department, the Board and the State Treasurer so that they can comply with and carry out all of the provisions of the Continuing Disclosure Agreement and will provide all information reasonably requested by the Department, the Board or the State Treasurer regarding the Facility, in connection with continuing disclosure obligations.

SECTION 13. Status of Private Activity Use of the Facility. The Participating County hereby covenants and agrees to provide information to the Department, the Board and the State Treasurer annually regarding the private activity use, if any, of the Facility. Any such private use must be consistent with the Participating County's covenants pursuant to Section 14 hereof. The information that must be updated annually is set forth in the Tax Certificate that was executed and delivered by the Board upon the initial issuance of the Bonds.

SECTION 14. Tax Covenants. The Participating County covenants that it will not use or permit any use of the Facility, and shall not take or permit to be taken any other action or actions, which would cause any Bond to be a "private activity bond" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended; and any applicable regulations promulgated from time to time thereunder. The Participating County further covenants that it will not take any action or fail to take any action, if such action or the failure to take such action would adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds.

The Participating County does not expect to and shall not perform any act, enter into any agreement, or use or permit more than 10% of the Bond proceeds or the Project to be used in any trade or business unrelated to the exempt purposes of the Participating County (as defined in Section 513(a) of the Code), or enter into any contract or arrangement with any person or organization (other than a state or local governmental unit, or a 501(c)(3) organization acting within the scope of its exempt purposes), including the federal government (a "Disqualified Person"), which provides for use of more than 10% of the Project in any trade or business of such Disqualified Person ("Private Use"), including a lease or sale of any part of the Project excluding general public use and other uses disregarded under Treasury Regulation §1.141-3, unless the Participating County provides prior written notice to the Board of the proposed act, agreement or use and the Participating County and the Issuer receive an opinion of nationally recognized bond counsel acceptable to the Board with respect to such act, agreement or use.

The Participating County will not enter into any arrangement with any Disqualified Person which provides for such person to manage, operate, or provide services with respect to the Project (or any portion thereof) (a "Service Contract"), unless the guidelines set

forth in Revenue Procedure 97-13, as modified by Revenue Procedure 2001-39 (the "Guidelines"), are satisfied, except to the extent the Participating County obtains a private letter ruling from the Internal Revenue Service or an opinion of nationally recognized bond counsel acceptable to the Board which allows for a variation from the Guidelines.

The Participating County will not enter into any contract or arrangement with any Disqualified Person which provides for use of the Project (or any portion thereof) for "research," within the meaning of Treasury Regulations Section 1.141-3(b)(6), for the benefit of such Disqualified Person unless such contract or arrangement meets the requirements of Rev. Proc. 2007-47. For this purpose, "research" includes activities that represent research in the experimental or laboratory sense. The term generally includes all activities incident to the development or improvement of a product, including obtaining a patent. "Research" for this purpose does not include management studies. However, contracts or arrangements with a Disqualified Person for management studies may result in private trade or business use if the Disqualified Person has possessory or priority rights in specific portions of the Project.

SECTION 15. No Merger. The parties hereto intend that there shall be no merger of any estate or interest created by this Facility Lease with any other estate or interest in the Facility, or any part thereof, by reason of the fact that the same party may acquire or hold all or any part of the estate or interest in the Facility created by this Facility Lease as well as another estate or interest in the Facility.

SECTION 16. Waste. The Participating County shall not commit, suffer, or permit any waste or nuisance on or within the Facility or any acts to be done thereon in violation of any laws or ordinances.

SECTION 17. Amendments. This Facility Sublease may not be amended, changed, modified or altered without the prior written consent of the parties hereto and the Board.

SECTION 18. Waiver.

The waiver by the Department, any such waiver subject to the consent thereto of the Board, of any breach by the Participating County of any agreement, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other agreement, covenant or condition hereof.

The waiver by the Participating County, any such waiver subject to the consent thereto of the Board, of any breach by the Department of any agreement, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other agreement, covenant or condition hereof.

SECTION 19. Non-Liability of the Department and other State Entities. Any obligation of the Department created by or arising out of this Facility Sublease shall not impose a debt or pecuniary liability upon the Department, the Board or the State of California, or a charge upon the general credit or taxing powers thereof, but shall be payable solely out of funds duly authorized and appropriated by the State.

The delivery of this Facility Sublease shall not, directly or indirectly or contingently, obligate the Board, the Department, the State Treasurer or the State of California to levy any form of taxation therefor or to make any appropriation. Nothing herein or in the proceedings of the Participating County, the Board or the Department shall be construed to authorize the creation of a debt of the Board, the Department, the State Treasurer or the State of California, within the meaning of any constitutional or statutory provision of the State of California. No breach of any pledge, obligation or agreement made or incurred in connection herewith may impose any pecuniary liability upon, or any charge upon the general credit of the Board, the Department or the State of California.

SECTION 20. Indemnification. As required by California Welfare and Institutions Code Section 1974, the Participating County agrees to indemnify, defend, and hold harmless the State of California, including but not limited to the Department and the Board and their officers, agents and employees, for any and all claims and losses accruing and resulting from or arising out of the Participating County's use and occupancy of the Facility. The Participating County's obligation to indemnify, defend and hold harmless under this Section shall extend to all such claims and losses arising, occurring, alleged, or made at any time, including prior to, during, or after the period that this Facility Sublease is in full force and effect. Notwithstanding the preceding sentence, the Participating County will not be required to indemnify, defend or hold harmless the Department, the Board, or any other State agency, or their respective officers, agents, employees, contractors and/or invitees from any claim which arises, in whole or in part, from the gross negligence or willful misconduct or omission of the Department, the Board, or any other State agency, or their respective officers, agents, employees, contractors and/or invitees. The indemnification obligations of the Participating County set forth in this Section shall survive any termination of this Facility Sublease.

SECTION 21. Law Governing. This Facility Sublease shall be governed exclusively by the provisions hereof and by the laws of the State of California as the same from time to time exist. Any action or proceeding to enforce or interpret any provision of this lease shall, to the extent permitted by law, be brought, commenced or prosecuted in the courts of the State located in the County of Sacramento, California.
